Thompson and Mrs. Stovenson, of Hillsboro; Mrs. Shultz, of Leesburg, and others. The Rev. McK. Shultz, of Leesburg, and Daniel Hill, of New Vienna, made some very appropriate and appreciative remarks on the work of the women, and both showed not only a willingness but a desire to help on the work. A paper was then read by Mrs. Kelso, of Greenfield; subject, "Our Children," which had in it much of interest and instruction to parents. Mrs. E. J. Thompson, of Hillsboro, then read a very excellent paper, and showed in her interesting way what had been done and accomplished by the women since the Crusade. Mrs. Gregg, of Hillsboro, in a very interesting paper on "Children's Work" gave some methods by which to interest, instruct, and lead the children to the light of the temperance reform. The following resolutions were then read by Mrs. Shultz, chairman of the committee on resolutions, and were adopted as a whole:

Resolved, 1st.** That we preserve as much as

as practicable organize the women into W. C. T. U.

5th. Iron sharpeneth iron, so a man sharpeneth the countenance of his friends, so do we recognize these district conventions a means of stimulating each other to good works.

6th. That we express our thanks to the people of New Lexington for their generous hospitality, to the organist and choir for some stirring music, and to those who added to our pleasure with offerings of sweet flowers.

7th. That we here set up our Ebenezer, and go forward following the same voice that first led us into the work.

The officers for the coming year were then elected as follows: Mrs. Beeson, of Leesburg, President; Mrs. S. B. Thornburg, of New Lexington, Secretary; Mrs. Kelso, of Greenfield, Treasurer; Mrs. Galbreath, of Greenfield, Mrs. Bevences, of Hillsboro, Mrs. J. Edwards, of New Lexington, Mrs. Eli Templin, of Marshall, Mrs. Dr. Thomas, of Samanths, Mrs. Bering, of Lynchburg, were elected as Vice Presidents. After music by the choir adjourned to meet in Hillsboro on the 18th of November, 1886.

Mrs. S. B. Thornsung, Mrs. Berson, It was decided to have the minutes published in the county papers.

May 12th, 1886. Collins to assist in the case. When it came to be heard the second time it was decided barred by the statute of it. decided barred by the statute of limita-tion, because suit had not been brought within six months after it became due. The fault seemed to lie in the negligence of the attorneys and I was advised to sue them, which I did. Mr. Collins' case was first heard and Judge Minshall instructed the jury that if Mr. Collins was not employed until after the first installment became outlawed, or within six months after it was due, he (Mr. Collins) could not be held responsible for the remaining two installments, because they were outlawed with the first. The higher court confirmed the ruling of the Common Pleas in this regard. The contract with Measure, Meek and Thompson was a verbal one and was not binding for longer than six years. And as that time had expired before I brought suit for damages against them they were also released. I make this explanation in order that my claim may not appear to be a finesy one and to put the matter in the right light before the public. within six months after it became due.

fort, luxury and splendor which have made the Kansas City Route of the Rock Island Route so universally popular. The new line opens up a new and independent avenue of transportation to and from one of the most flourishing, goahead cities of the West-a city of 50,-000 inhabitants, commanding an immense trade that covers a vast area included in the States and Territories contiguous and tributary to it. Success to the through line to St. Joseph, and may the Chicago, Rock Island & Pacific management harvest that full measure of reward which their superior energy and enterprise have so fairly carned.

Peterson's Magazine for June is an unusual brilliant number, even for that popular monthly. It opens with one of the most beautiful of steel-engravings, "Butterflies"; has a supurb double-sized colored fashion-plate; also a steel-enand pattern, "Design in Strawberries and first Leaves," for a side-board cover. The original tales, illustrated articles, etc., etc., more than sustain the high character of this lady's-book. Two stories alone are worth the price of the number: one by A. Bowman, and the other by Frank Lee Benedict. We do not see how any lady can do without this magasine. Now is a good time to subscribe, to begin with the July number, when a new volume commences: a good time, at least, for those who do not wish back at least, for those who do not wish back numbers from January. The price is but two dollars a year. For clubs it is even cheaper. Beautiful premiums also are given for getting up clubs, and specimens sent gratis to those getting up clubs. The publisher claims it is "the cheapest and best." Try it for a year. Address Charles J. Peterson, 306 Chestnut street, Philadelphia, Pa.

Care for the Children

Children feel the debility of the changing seasons, even more than adults, and they become cross, peevish, and uncontrollable. The blood should be cleaned and the system invigorated by the use of Hood's Sarsuparills.

invigorated by the use of Hood's Sarsaparilla.

"Last Spring my two children were vaccinated. Soon after, they broke all out with running sores, so dreadful I thought I should less them. Hood's Sarsaparilla cured them completely; and they have been healthy ever since. I do feel that Hood's Sarsaparilla saved my children to me." Mrs. C. L. THOMESON, West Warren, Mass.

Purify the Blood That Tired Feeling

The warm weather has a debilitating effect, especially upon those who are within doors most of the time. The peculiar, yet common, complaint known as "that tired feeling," is the result. This feeling can be entirely overcome by taking Hood's Barraparilla, which gives new life and strength to all the functions of the body.

"I could not sleep; had no appetite. I took Hood's Sarsaparilla and soon began to sleep soundly; could get up without that tired and languid feeling; and my appetite improved." R. A. SANFORD, Kent, Ohio.
